(1) Field to be completed if a country has more than one competent authority.
(2) Indicate the name of the region(s) for which the competent authority is responsible. If the authority is responsible for the whole country, insert: 'whole country'.
(3) Describe the powers of the competent authority by indicating, for example, that the authority is only responsible for intra-EU shipments or exports of waste or that the authority is only responsible for shipments of a specific type of waste. If the authority is responsible for all shipments, insert 'all types of shipments'.
(4) This question can only be replied to in the following manner:
(a) only one option can be chosen for each of points (a) to (d);
(b) if 'GUI' is chosen for one of points (a) to (c), the remaining points can only be answered by choosing 'GUI' or 'not applicable';
(c) if 'API (local system)' is chosen for one of points (a) to (c), the remaining points can only be answered by choosing 'API (local system)' or 'not applicable'.
(5) The option 'not applicable' shall be chosen if the competent authority completing the declaration is not entitled to act as a competent authority of dispatch, competent authority of transit or competent authority of destination.
(6) This applies to all operators except for carriers.
(7) Under this point, only one option can be chosen.
(8) The option 'not applicable' shall be chosen if the competent authority completing the declaration is not responsible for granting pre-consents to facilities as referred to in Article 14(8) and (10) of Regulation (EU) 2024/1157.
(9) Field to be completed if a competent authority indicated 'API (local system)' in question 5(d) or 6(d).
(10) Field to be completed only if the competent authority intends to indicate a specific date following 20 working days from the submission of the declaration other than the date referred to in Article 86(2) of Regulation (EU) 2024/1157.
